

Cleveland Clinic Express Care[®] Online

Telemedicine

As a member of Medical Mutual's SuperMed[®] PPO Network, you have access to Cleveland Clinic's Express Care[®] Online. Express Care Online is a secure service that offers 24/7 care with no appointment needed for simple conditions such as sinus infections, cold symptoms, rashes, ear aches and stomach pain.

How do I access Express Care Online?

§ From your smartphone or tablet: Visit clevelandclinic.org/eco or download the Express Care app from the Apple App Store or Google Play

§ From your computer: Visit clevelandclinic.org/eco

Who can use Express Care Online?

Adults and children ages two and older may use Express Care Online. Patients ages 17 years and younger must be accompanied by a parent/guardian during the visit.

Can Express Care Online providers diagnose a condition and/or write prescriptions?

Yes, when medically appropriate and at the provider's discretion. The provider will decide based on what he or she learns during a consultation if a diagnosis is possible, or if you need further examination (e.g., tests, a physical exam, another specialty visit), and if a prescription is appropriate.

How can I learn more about Express Care Online?

Visit clevelandclinic.org/eco for more information on this service.

If you have specific questions about your Medical Mutual healthcare benefits, please call the Customer Care number on your Medical Mutual member ID card.
